| 8 Central Regional Cancer Program | |

Today's presentation

Fumbling for his recline button,
Ted unwittingly instigates a disaster.

An orange rectangular road sign with a black border and rounded corners, mounted on a wooden post. The sign features the text "EXPECT DELAYS" in bold, black, sans-serif capital letters. The background is a clear blue sky with a few wispy clouds and a range of mountains in the distance.

EXPECT DELAYS

Objective #1:
Untangle

Objective #2:
Measure

Clinicians

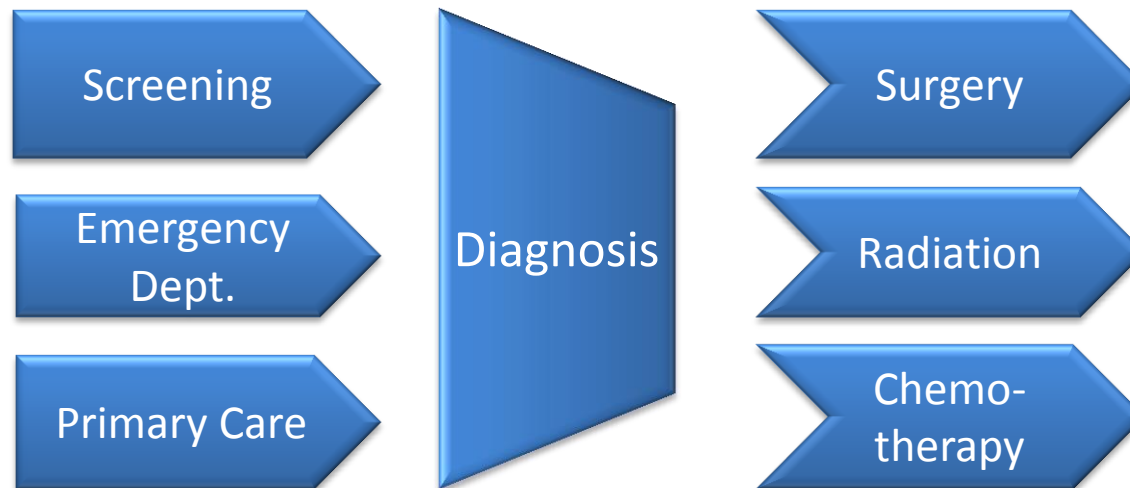

Administrators

Patients

CCO Support

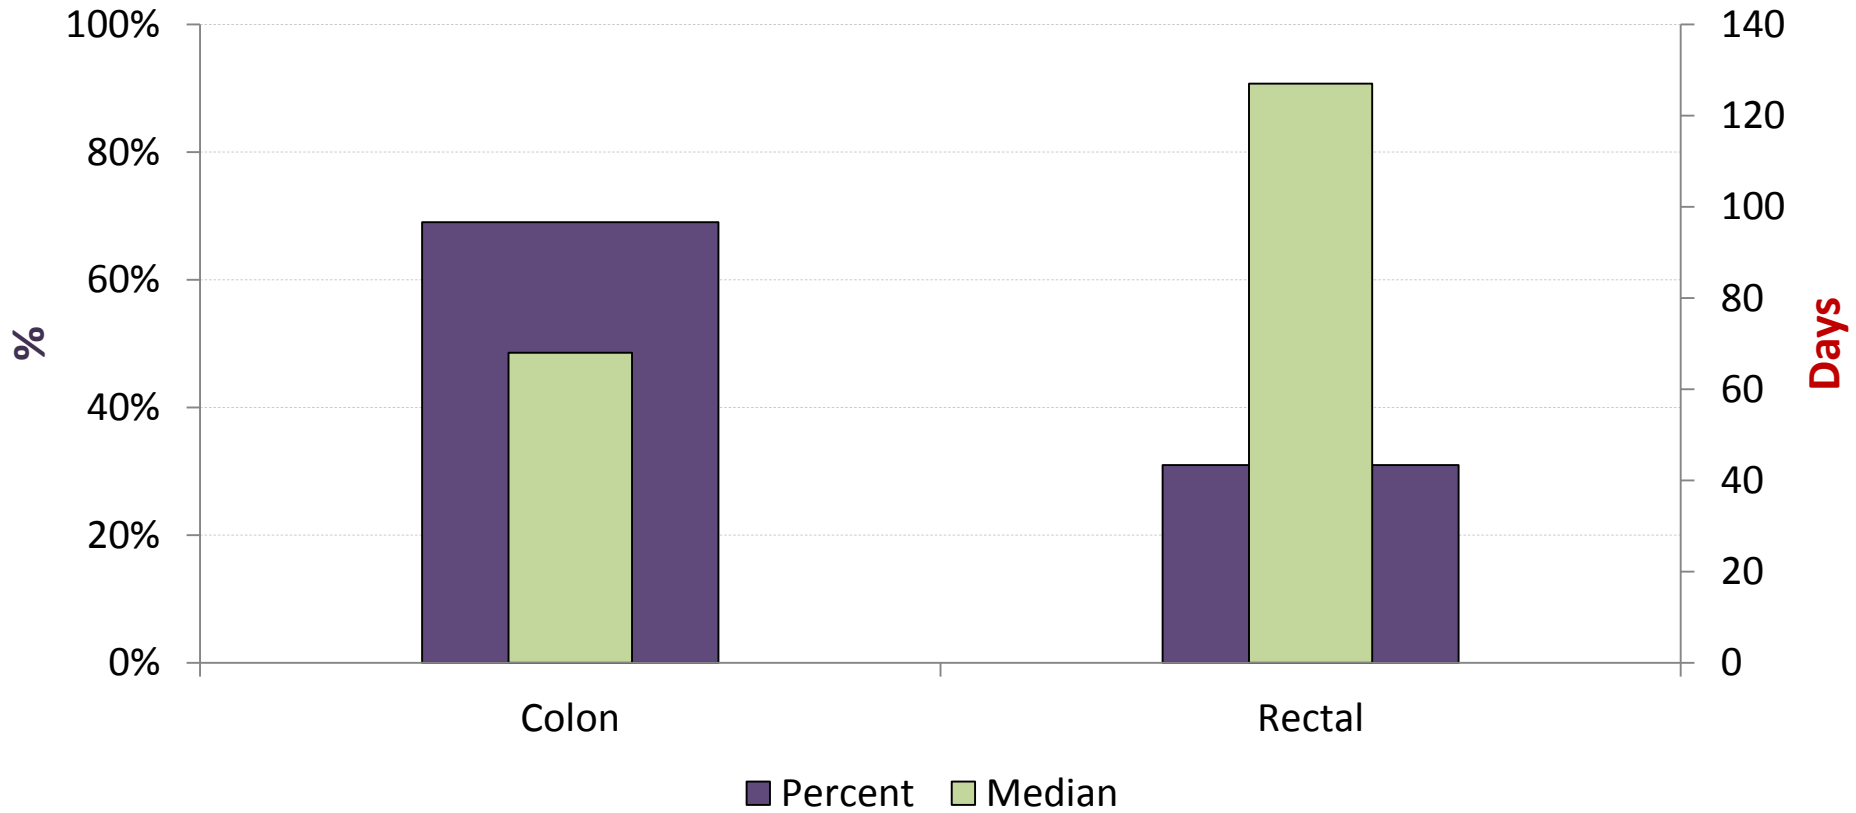

Methods

- **Design:** Retrospective Cohort Study
- **Population:** All patients in Ontario diagnosed with colorectal cancer in 2010 (5671 patients)
- **Data Sources Included:** CCO, CIHI, OHIP, and Stats Can data holdings

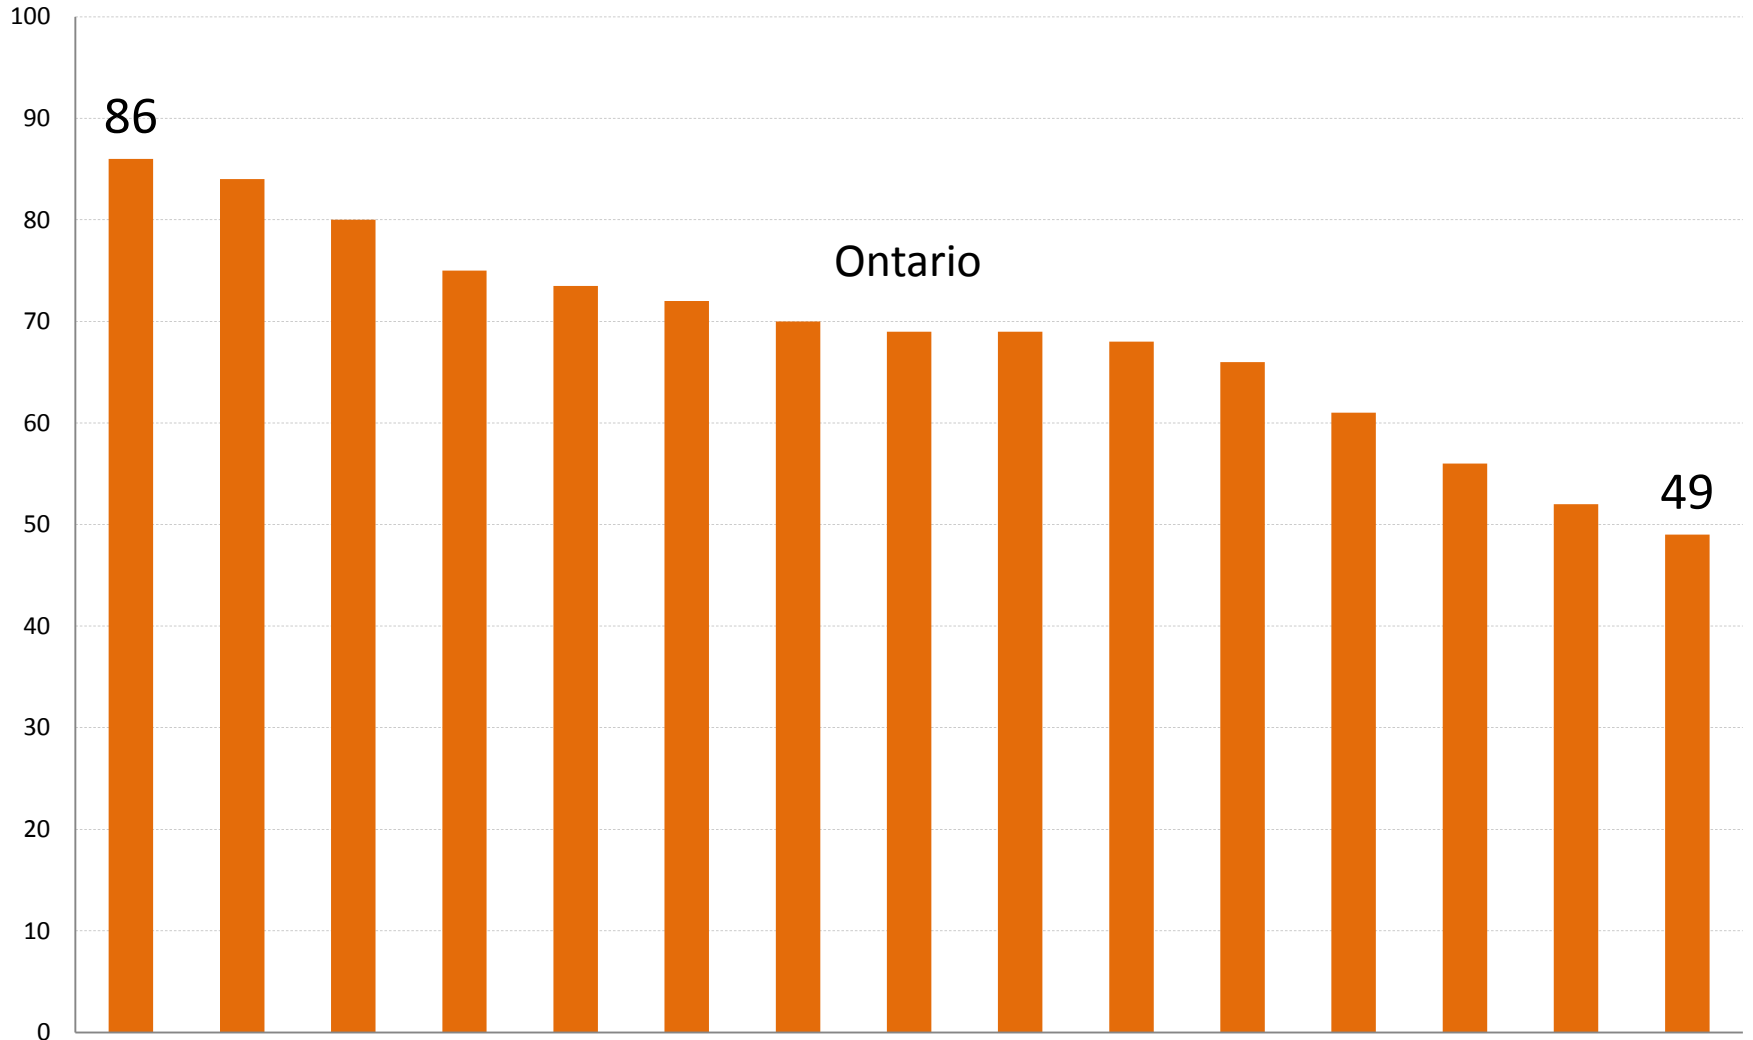

Median Duration (days)	90 th Percentile (days)
84	282

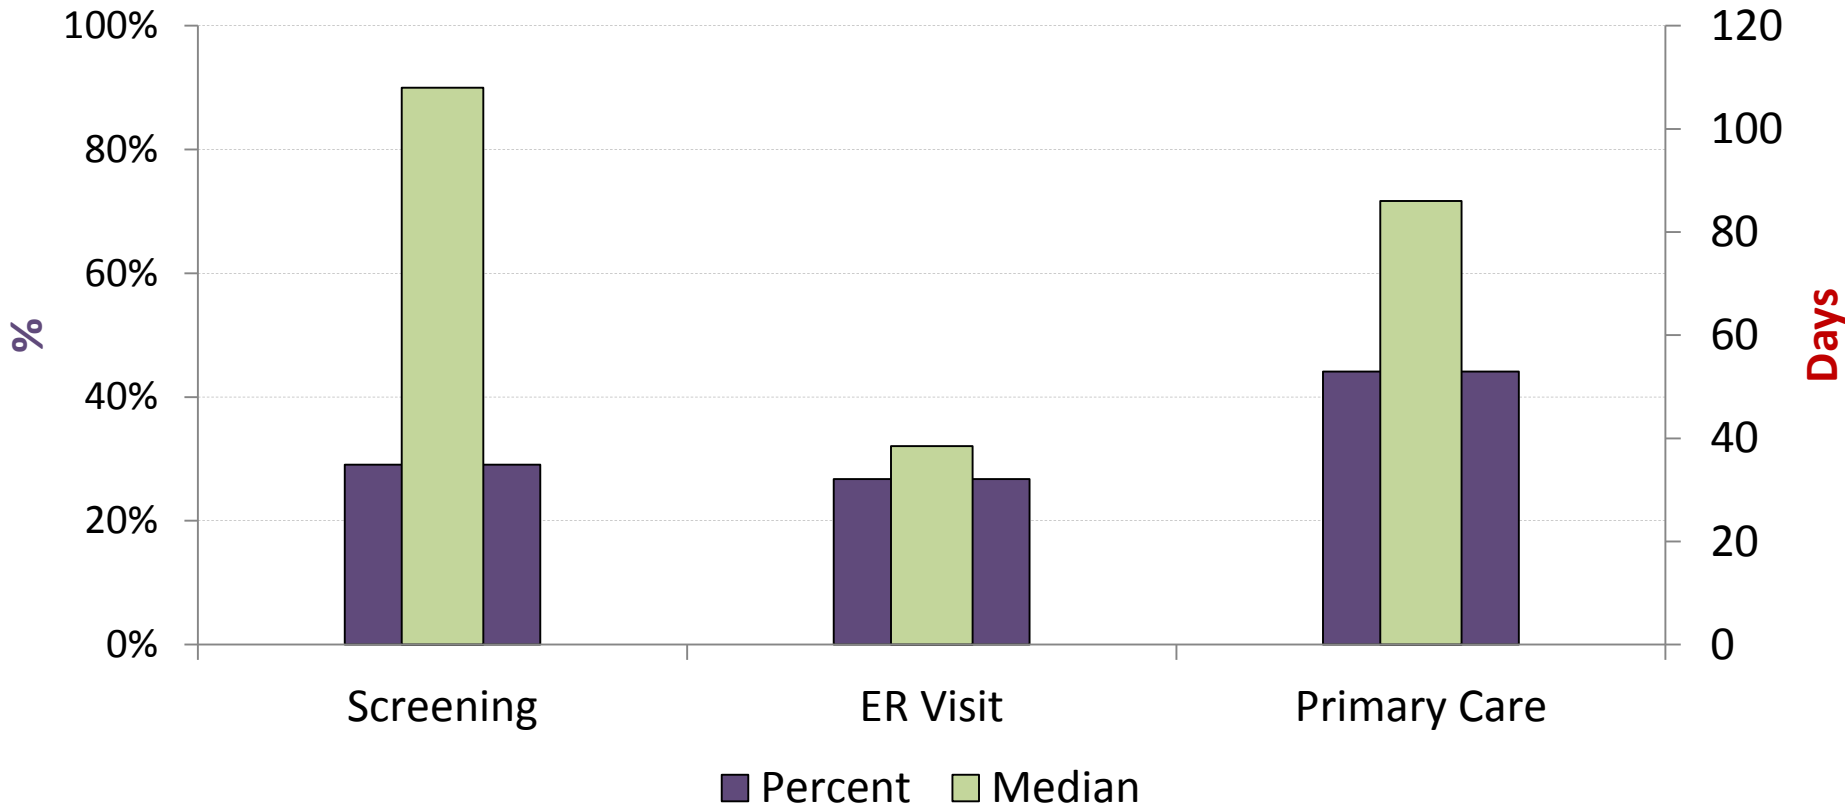

Median Duration and Percent Breakdown by Cancer Type

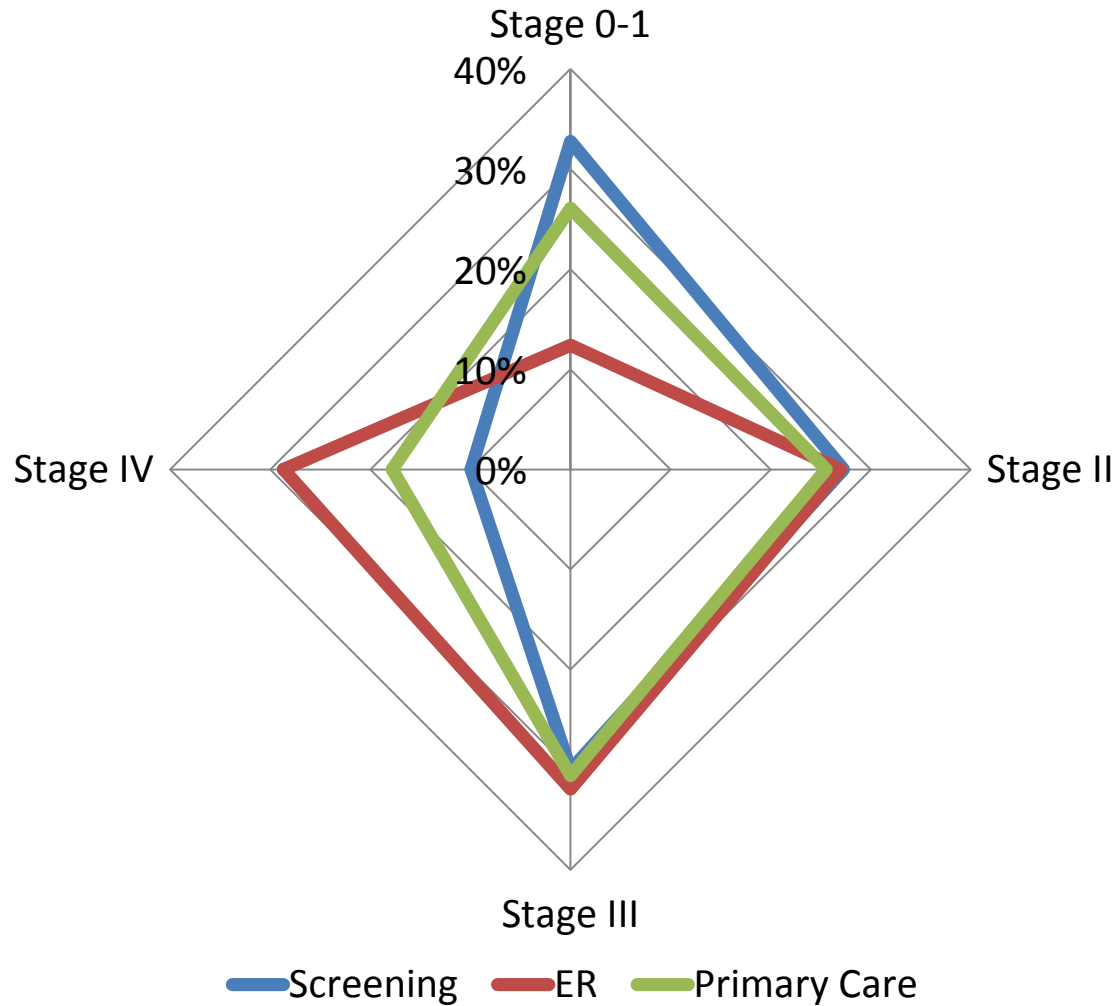

Median Duration by Region (colon)

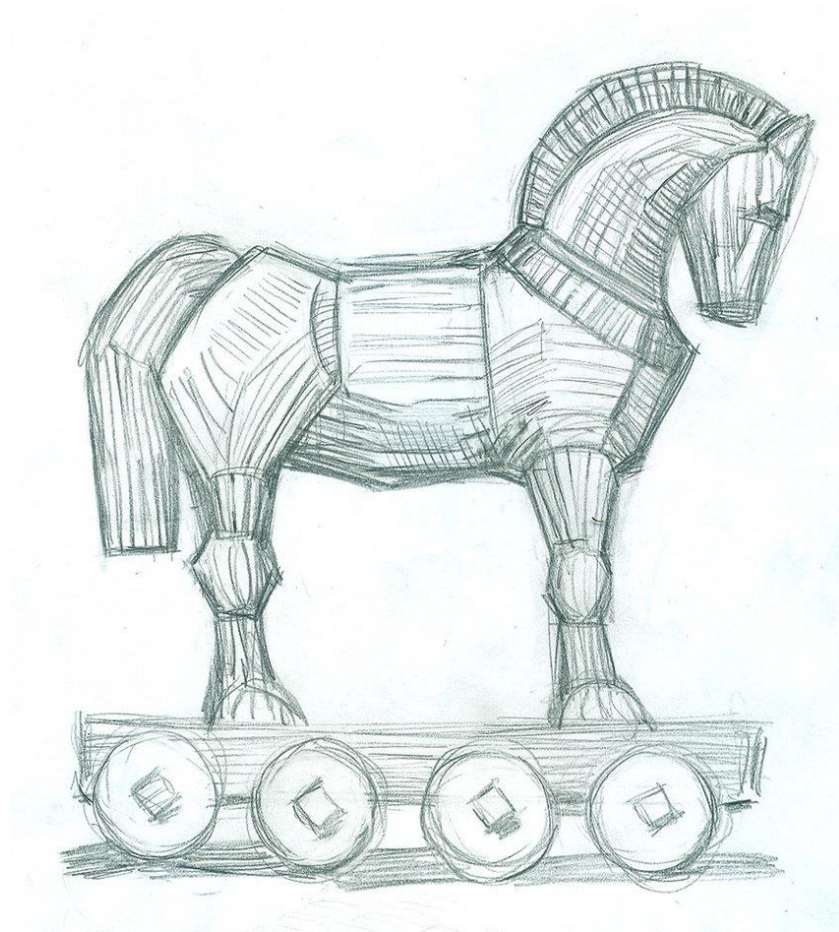

Median Duration and Percent Breakdown by Entry Point

Distribution of Cancer Stage by Entry Point into Cancer System

“The journey starts with
suspicion and never ends”

- *Patient*
