

**Current Oncology****Current Oncology celebrates its
30TH ANNIVERSARY**

The year 2024 marks the 30th anniversary of *Current Oncology*, a peer-reviewed open-access journal on clinical oncology. The journal has published more than 4,100 papers by more than 17,200 authors from 101 countries. More than 5,300 reviewers have reviewed the journal at least once. We highly value your contributions as members of the societies affiliated with the journal. In honor of the journal's 30th anniversary, we are reflecting on our past accomplishments and embarking on an exciting new chapter. We invite you to join us in celebrating this milestone for our journal and explore the content that we have prepared for you.

News Express

Current Oncology Receives an Updated Impact Factor of 2.8 and CiteScore of 3.3

We are pleased to share that *Current Oncology* (ISSN: 1718-7729) was awarded an increased Impact Factor of 2.8 in the 2023 *Journal Citation Reports*. The rank of *Current Oncology* was upgraded from Q3 to Q2 (157 among 322 titles) in the "Oncology" category. Additionally, according to data released by Scopus (Elsevier), *Current Oncology* received an updated CiteScore™ of 3.3, an increase of 27% compared with the 2022 metric. For more information, please visit <https://www.mdpi.com/journal/curroncol/announcements/8755>.

A note from our Editor-in-Chief, Dr. Shahid Ahmed: "*This achievement would not have been possible without your invaluable contributions and support. Your commitment to excellence has played a key role in Current Oncology's success. On behalf of our entire team, I extend our sincere thanks to you for your continuous support.*"

 2.8 2023 Impact Factor	 6,836 Citations in 2023	 157/322 (Q2) Oncology
 3.3 2023 CiteScore	 0.792 SNIP	 238/404 (Q3) Oncology

Collaboration with the Canadian Centre for Applied Research in Cancer Control (ARCC) in 2024

In January 2024, *Current Oncology* began to cooperate with the Canadian Centre for Applied Research in Cancer Control (ARCC). So far, *Current Oncology* has established collaboration with six societies in Canada:

- Canadian Association of General Practitioners in Oncology (CAGPO-ACMOO);
- Canadian Association of Medical Oncologists (CAMO);
- Canadian Association of Psychosocial Oncology (CAPO);
- Canadian Centre for Applied Research in Cancer Control (ARCC);
- Canadian Leukemia Study Group (CLSG);
- Cell Therapy Transplant Canada (CTTC).

As part of this collaboration, all the members of the societies above will enjoy a discount on the Article Processing Charge (APC) when submitting articles to *Current Oncology*. The collaboration goes beyond the discount offered to members and includes other services, such as cross promotion. For more information, please visit <https://www.mdpi.com/journal/curroncol/societies>

Journal Awards

To reward the academic community, especially young researchers, and increase communication among scientists, *Current Oncology* regularly offers various awards to researchers in the field of clinical oncology. These awards, serving as a source of inspiration and recognition, help to grow the profiles of talented individuals who have been credited with outstanding achievements and are making a significant contribution to the advancement of their field:
